SUBJECT:	UC Doctrinal Program	25X ²
June 3, 1953. the paper had in the attache member agencie 2. In yo the word "abro term might pro The new versic tains many ins which, by delo accomplishes t first change i Principles to	briginally approved this paper with certain recommendations of the State Department was unwilling to give its approval untue been extensively reworded, the results of which are contained draft being circulated again for vote slip action by the est. Our original approval letter you requested the insertion of ead" in the first sentence of Annex B and suggested that another of Annex B complies with your request. The main paper constances of reworking but only two substantial changes, one of exting references to the International Bostrinal Institute, the purpose of your disagreement with the former draft. The is a new paragraph added by the State Department to Basic the effect that the Program is not an attempt to develop any an doctrine. The second change is the elimination of Proposa	ther ste."
and since your indicating you and transmitted high priority and for this reshould be added	the new draft is fundamentally the same as the original drag suggestions have been incorporated in the new draft, a letter approval of the plan and the annox is attached for signatural to the PSB. The new draft also recommends that CIA give to all activities supporting the objectives of this program reason it was felt the second sentence of the approval lettered to emphasize the fact that the high priority called for is struct as an overriding one.	er Te
